PRINCIPAL'S MESSAGE

In future years, as you reflect on your life, will you be able to say "I made the right decisions"?

Life is full of choices. What you will be, will depend upon the decisions and choices that you make. In the Proverbs of Solomon, it says, "As a man thinketh in his heart, so is he". Each of us is a product of our thinking, our choices and our decisions. What are the right decisions? They are those that will satisfy you, and bring you happiness and a good life. It has been said that "Knowledge is Power". Therefore it is important that you acquire as much knowledge as you can, and that you use it wisely to decide what you will be. The Lawton Staff have tried to provide you with the best educational opportunities possible. It is our hope that when you leave Lawton, you will have attained the knowledge, wisdom, citizenship and sound values which are so necessary to a successful life.

In future years, as you glance through the pages of this yearbook, will you be able to say, "I made the right decisions"?

We have a great deal to be proud of in our school. Remember that the building does not make the school; it is the students. Your school will be what you make it. Over the years, Lawton students have built a proud and enviable record for themselves and the community of Beverly, and have made Lawton an outstanding school. I am pleased that you have maintained these traditions through your fine school spirit, your cooperation with others and your achievements in academic work, school sports and extracurricular activities.

My congratulations to the Yearbook Staff, the Editor, and the Assistant Editors for their efforts in making this yearbook possible.

To the Grade Nines who will be taking another step in their educational career, may your dreams and ambitions be realized. As you recall your school days at Lawton, I hope that your memories are happy and pleasant ones.

To all the students and parents of Lawton, I extend my best wishes for a happy summer and a successful future.

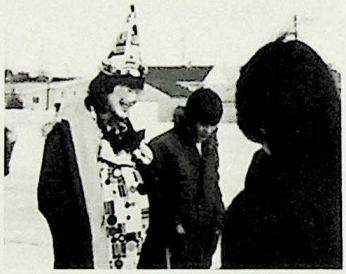
MARDI GRAS

Ain't he cute?

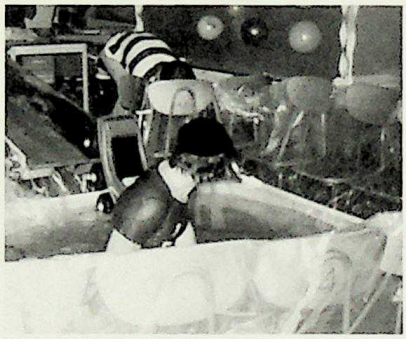
That was some party!

At the Mardi Gras.

Down Boy! Down!

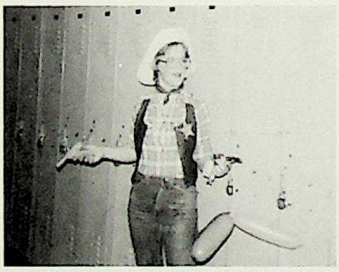


Just clowning around.



Splish! Splash!

I wonder what's up there?



Eat your heart out, John Wayne.

We've got to stop meeting like this.

The Great Race

Just having a good time.

Don't laugh!
